HEADMASTER' MESSAGE

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity."

Thus Charles Dickens began one of his most famous novels. We would all do well to remember his words. As members of the Class of 1980 of Boston Technical High School each of you is entering upon a new phase in your life. How you face the future with its manifold problems will to a large extent determine whether or not it is the best of times or the worst of times for you. Your education here at Boston Technical High School and any further formal education which you partake of will make easier your task of adjusting to the demands of modern society.

You have been in high school during one of the most turbulent periods in American history. The turbulence of our diplomatic relations abroad, especially in Iran, and an extremely disheartening local situation, all have occurred while you have been students here at Technical High.

As you have learned in any history course you have ever taken, we hopefully learn from the past. As younger members of society, you should have prime advantage of your knowledge of the recent past. Today, things happen fast. The knowledge explosion continues. As a result success often depends upon one's awareness of what is occurring around you. The powers of perception which you have developed here at Tech should help you on this road to success. I would be remiss in my duty if I did not indicate that in your behavior you have been both an ornament and an asset to the City of Boston.

It has been my pleasure to know you during the past few years and I, for myself and the entire faculty and staff, wish each one of you much success and happiness in whatever endeavor you seek to undertake.

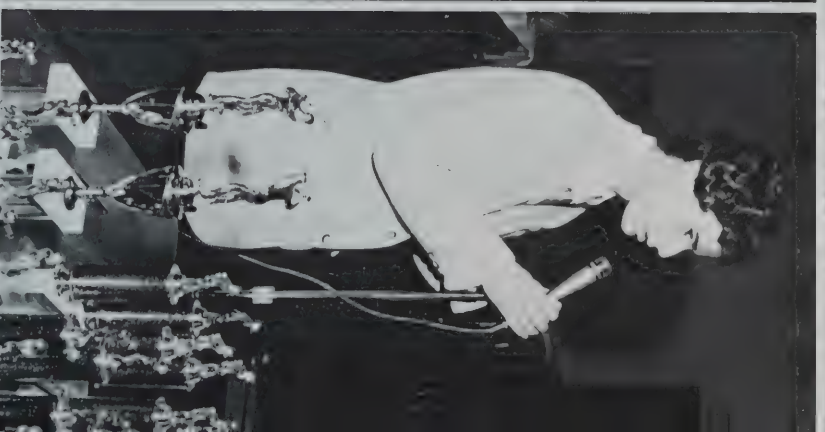
Sports Banquet



The athletes of Technical have always brought pride to our school. Our senior class athletes have upheld this tradition in the finest way. These athletes have inspired much school spirit. The leadership our senior athletes have given is tremendous. Our athletes execplify quality, dignity and class.

The fall brought the first rush of seniors to the athletic field. The Crew team, with outstanding leadership from their senior captain, Chris Rizzo and coached by Mr. Martell, placed second in the city. The seniors, Chris Rizzo and Chris O'Conner, gave their team excellent examples to follow. The girls creaw team with Barbara Richards as their captain, followed the boys by finishing the season in excellent style.

The Cross-Country team, with leadership provided by senior co-captain Tony DaRocha and Haseib Hosein, finished second in the city. Although the team members suffered many injuries, the combined effort of all members during the City Championship allowed the team to place second. The seniors of the Cross-Country team will always remember the enthusiasm and spirit that inspired them to emerge victoriously in two previous city championships. It was these two city championships that the team was given immense guidance and direction from their coach, Mr. Farrell.

The Football team, with leadership from a few seniors such as co-captain Wendell Saunders and Arthur Somerville and coached by Mr. DiLorenzo, completed the season with a 5 win and 4 loss season. Once the sophomores and juniors gained more experience, the team was able to defeat a strong East Boston team by a wide margin. They then proceeded to defeat English, 7 to 6, and gained an exciting victory over Malden Catholic with a score of 16 to 15. The team then suffered a hard loss to Chelsea on a rain soaked field. However, they then defeated Don Bosco, 14 to 6. The Thanksgiving Day game highlighted the season as the team was victorious over Madison Park with a final score of 29 to 20.

The Soccer team had an outstanding season. Seniors Phillipe Lauture, the team's outstanding athlete, Phillipe Romain and Zak Pantekidas contributed to one of the highest scholastic records of any team in the school. These seniors and their teamates, with coaching supplied by Mr. O'Day, defeated arch rival Latin twice this season. They will have seven returning starters and 11 freshman. 11 members had a ball and showed that soccer is a growing sport.

Winter was soon upon us and the indoor sports teams began training and competition.

The boy's Basketball team, with leadership from co-captains Tony Walton and Tracy Litthcut and coached by Mr. Hartford, completed the season with an 8 win and 9 loss record. Tech defeated Dorchester even though we were expected to lose and another exciting victory was gained when our team defeated a strong Brighton team by 20 points. Tracy Litthcut and Mark Wade were named to the First City All-Star Team.

The girl's Basketball team with leadership from some excellent players, and coaching from Mrs. Dancy had a good season. They finished the season with a 15 win and 6 loss record. The team members combined effort placed them fourth for the season's end. The returning members are looking forward to an even better season next year.

The Hockey Team was outstanding this year. Their senior captain, Chris Rizzo provided excellent leadership and a fine example for his teammates. The first line, Chris Rizzo, Frank Lang, and Jay Thibeault, compiled a strong scoring record which accounted for their ranking as one of the highest scoring lines in the state. The efforts of Joe Frechette and Mike Carver with Chris O'Conner in goal gave excellent defense. These combined efforts placed them in a tie for first place in the city with South Boston. The team finished the season with a 13 win, 2 tie, and 1 loss record. The tie-breaker game against Southie was won by South Boston in over time. Tech's team entered the state tournament as a result of their excellent performance and coaching by Mr. Martell. They suffered a hard loss against a strong Winthrop team in the tournament. It was a great season in which captain Chris Rizzo led the league in scoring and came in second in the state.

The Indoor Track team, with consistent and outstanding efforts by co-captains Tony DaRocha, Haseeb Hosein, Ina Vann, and Rose Francis, had undefeated records of 7 wins and no losses. Both teams won the City of Boston Championships. Coach Farrell provided direction and guidance which, combined with the athletes efforts, produced two winning teams. The training and comraderie of the girls' and boys' track teams produced an unforgettable experience for the seniors of 1980. The co-captains leadership was an excellent example for the underclassmen to follow. Happy are those who dream dreams and are ready to work hard to make them come true.

The Volleyball team, coached by Mrs. Dancy and excellent leadership from Jimmy Wong and Mimi Chow, had a tremendous season with a 16 win and no loss season. Their remarkable accomplishment will be well remembered.

The Swim team, captained by Steve Quinn and Rich Long had an excellent season.

The Golf team, coached by Mr. McGowen, after a great season, went on to the state tournament.

The Baseball team, with captain Chris Rizzo and players Chris O'Conner and Mike Kindregan, coached by Mr. O'Day, proceeded to compete in the state tournament.

The Tennis team, coached by Mr. Blundo, had a great season with seniors Paul Costa and state-ranked player David Atkinson.

The Outdoor Track team captured the city championship. With coaching from Mr. Farrell, they defeated Latin, who placed second, by 60 points.

The Softball team, coached by Mr. Howley had a fine season.
